Food Controller and Director of Civil Supplies in Mysore.

SEC. & REV. DEPT. 30 AUG 1919

To

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Government of Mysore.

Sir,

I have the honour to report that Tenders having been called for for the supply and sale of 300 tons of Nellore rice from the Nellore District of the Madras Presidency during June 1919 Messrs. Appajappa Rudrappa of Bangalore tendered to supply 300 tons of Nellore rice 1st sort at Rs17-14-0 per bag of 164 lbs nett delivery at Bangalore Ex Godown. The tender was accepted to the extent of 200 tons at the above rate. An agreement was duly executed by the firm on the 17th June 1919 agreeing to import and sell the rice under contract and to forfeit the security deposit of Rs1,000/- in case of breach of contract.

On 12th August 1919 Mr. Rudrappa reported that in spite of his best efforts he could not import more than 269 bags of Nellore rice 1st sort as the millers were charging very high prices and added that as in the meantime the tenders for August were understood by the millers to have been accepted at Rs19-8-0, they forced up the prices and it became absolutely impossible for him to import any rice. He therefore requested that he may be excused for the non-performance of the contract and prayed that the security deposit might be returned.

He was called upon to show cause why the security deposit should not be forfeited to Government since he had not performed the contract as agreed upon. On the 23rd instant Mr. Rudrappa appeared in person and tendered an explanation to the effect that he had tried his best to secure the 1st class rice at Nellore having sent his man thereto but failed to get more than 269 bags.

The fact that prices have gone up is not a sufficient reason for failure to import the rice. The contract was for import in the month of June, and the importers should have arranged to buy the rice in June or at least in the beginning of July. The July allotment of Nellore rice has been imported or secured by the licensed importers for that month. The fact that higher rates have been allowed in August has no bearing on the imports for June which should have been completed long ago.

Out of 200 tons contracted for, the firm has imported a little under 20 tons. There is yet a balance of 180 tons to be imported and sold. If this balance is to be now imported considerably higher prices will have to be paid. This is due to the failure of this firm to import the rice as per their agreement.

The whole of the security deposit of Rs.1000/- is liable to forfeiture, but as a part of the quantity has been imported I solicit orders of Government to remit the proportionate amount of penalty and to forfeit only Rs.900/- on account of 180 tons not imported.

I have the honour to be,
Sir,
Your most obedient servant,

Food Controller & Director.
